

List of Our Accepted Pet Insurers for Direct Claims

If your insurer is not on the list below, you may well still be able to claim back our fees. Tell your insurer that you were referred by your vet and about our qualifications, accreditations and associations (e.g. CCAB, ABTC-CAB) as shown here:

Note that even with the below insurers, every individual policy is different, so not all claims may be successful. For example, often insurers do not cover pre-existing conditions. You are responsible for knowing the limits of your own policy and for any outstanding fees due to us in the event of an unsuccessful claim. Note that some insurers, such as PetPlan and Agria can preauthorise claims.

So it would be worth contacting your insurer before booking an appointment with us.

If you would like to make a direct claim, email us your policy and pay the excess through this link:
